

Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Thursday 22 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Largely dry, sunny and very warm, locally hot again, today.

Today:

Another fine and largely dry day, with plenty of sunshine. An outside chance of an isolated shower in the west later. Feeling very warm or locally hot, especially inland. Perhaps a little cooler on the east coast, with onshore breezes. Maximum temperature 29 deg C (84 deg F).

Tonight:

Any isolated showers soon fading to leave a dry night, with clear skies. Another warm and muggy night for many. Minimum temperature 15 deg C (59 deg F).

Friday:

It will be another fine day, with plenty of warm sunshine, although perhaps a little hazier than on previous days. Less hot compared to recent days. Breezier on the coasts. Maximum temperature 25 deg C (77 deg F).

Outlook for Saturday to Monday:

Turning unsettled with rain or thunderstorms moving up from the south on Saturday. Further heavy and thundery showers on Sunday and Monday. Feeling warm and humid for many.
